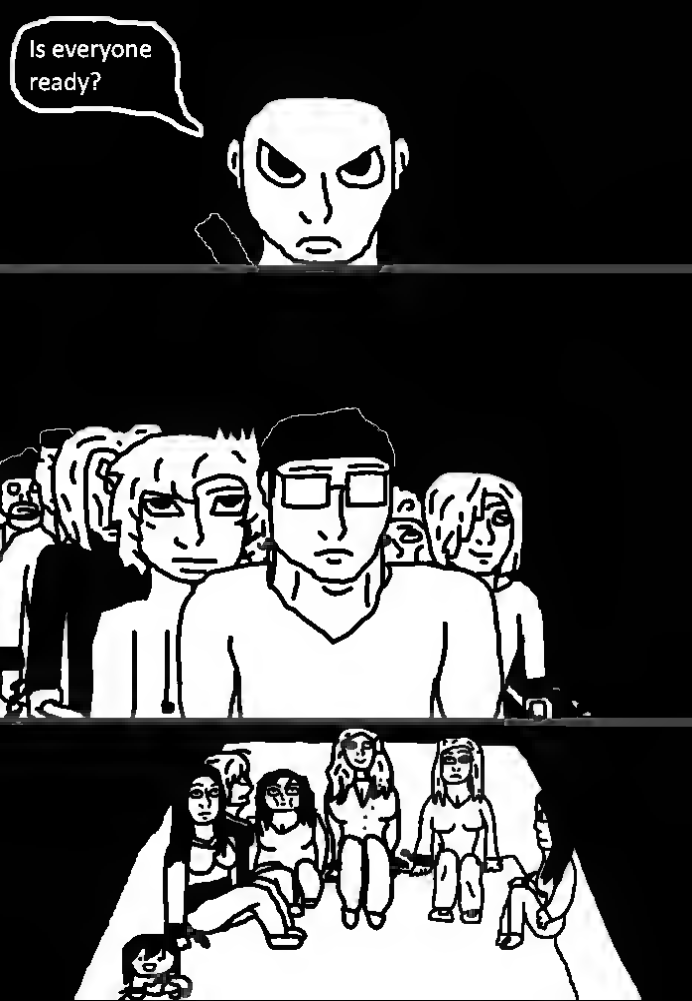
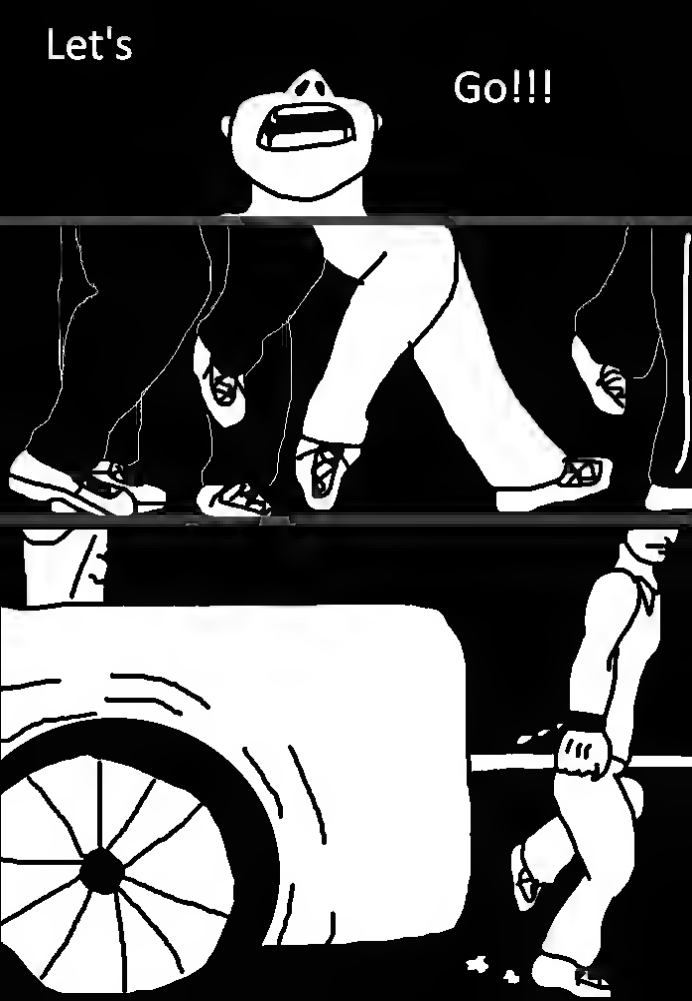
Love the Despair

By Alexkun1999



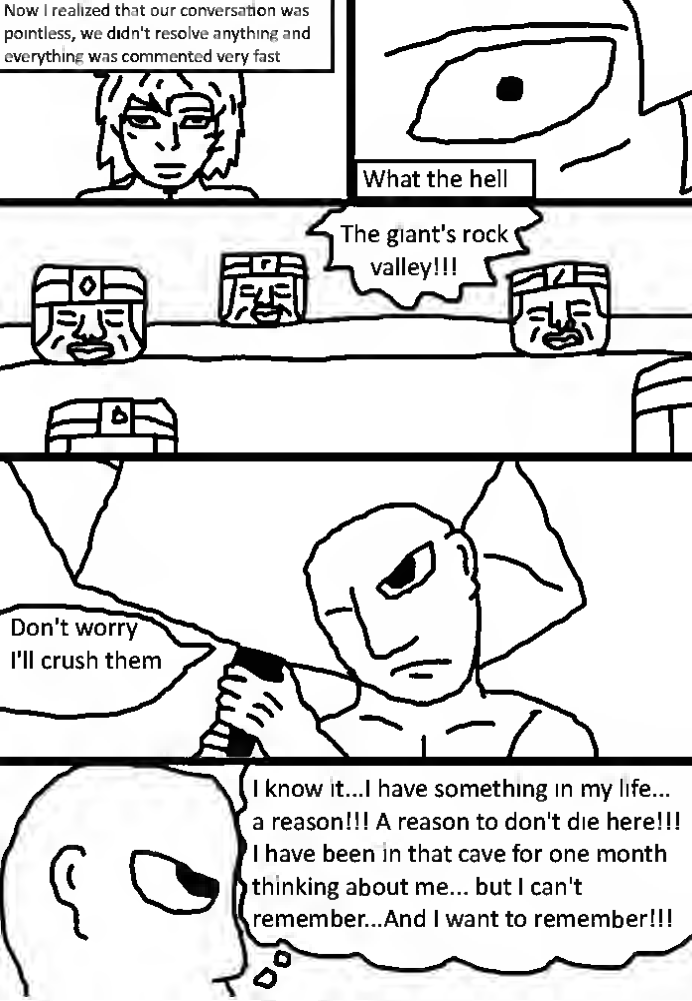
Is everyone ready?



Let's
Go!!!

Hmph
I can't believe it
This is working
At this rate...
Thanks to these guys, I'm going to go out from the cave
I can't remember how the sunlight feels
I can see it...
the outside...
it's close...
it's getting closer to me...
I can almost taste it...

I can't see...
Sunlight...
It's so bright...
My eyes
are hurting
me ...
But at least...
I'm outside!!!
The world...
I can see it
again!!!
But...there's nothing here...
What a shame...
I hoped to see something...
But...what?
What was I
hoping to see?
Hey
Baldy !!!
Where's the
valley you
said?
Turn to the left



Now I realized that our conversation was pointless, we didn't resolve anything and everything was commented very fast
What the hell
The giant's rock valley!!!
Don't worry I'll crush them
I know it...I have something in my life... a reason!!! A reason to don't die here!!! I have been in that cave for one month thinking about me... but I can't remember...And I want to remember!!!

Damn!!! I didn't think it before
The chariot is big enough to carry all the girls and the baldie...
And we're fifteen pulling it, seven in every side and me on the head...
He can't hit rocks farther than two meters around he. But we're more too far from he!!!
We're defenseless
That retarded face rock is the closest to me
Is just in front of me!!!
In any moment it will reach me
Is here...
What should I do before my death?
I don't know but I know one thing...

I won't die here
What the fuck
He is so strong
He pulled us with his punch
He is so amazing

Ohhh
He changed
our direction
So suddenly.
He is insane
I changed our direction to get you closer
to the rock. When you pass by that rock
Destroy it!!!
Got It!!!

Huh???
It's so fucking heavy!!!
Ahhhh!!! The hammer is falling!!!
Run!!!!!!

Fuck!!! It's pulling me!!!
I'll fall if I don't lift it soon
What are you doing???!!!
Can you use that hammer???!!!
I'm on it
If it touches the ground, it'll stuck on it and I'll fall and die
I can do it...
I can lift it...
I'll survive!!!

Ahhhhhh!!!
The rocks aren't as many as I thought
We're doing an amazing work
But I know it...
Many of us are tired
I...
can't...

HEY!!!! A very fast rock is behind us!!!
...
Everybody!!! Run at full speed!!! The rocks are so close!!!

AH
HH
HH
HH
HH
AHHHHHHHH
HHHHHHHHH
This rock is so close too
There's one over the chariot!!!!
It's a pebble
We're surrounded
Use the fucking hammer!!!
Help me!!!!
The rock is here

USE THE FUCKING HAMMER!!!

BALDIE!!!

I'M TIRED!!!

THE ROCKS!!!

THE ROCKS ARE TOO CLOSE!!!

LOOK THERE

HELP ME!!!!

DO SOMETHING!!!

IT'S A PEBBLE CANDY!!!

HEY!!!

I'M TIRED!!!

USE THE FUCKING HAMMER!!!!

HEY!!!

LOOK THERE!!!

DO SOMETHING!!!

USE THE FUCKING HAMMER!!!

THE ROCKS!!!!

ARE YOU LISTENING???!!!

WHAT ARE YOU DOING???!!!

SHUT UP!!!
I know it...I know that I can't use the hammer as good as I'd like.
I know that everybody is tired of pulling the chariot.
I know that we're in troubles, the rocks are so close of us...
But as you know, I have been in a cave for almost one month, I can't remember who am I.
I'm very happy to be able to see the outside and the sunlight again, I want to live, find who am I and where we are. And if there's a chance of find the answers to my questions...

I'll do anything to achieve it!!!
AHHHHHHHHHHH!!!!
DIE!!!!!

I...
I did it
AHHHHHHHH

AHHHH!!
Good work baldy
Finally we have something against those rocks. But I wonder...How much can he last until get tired?
I'm very tired...Will it be a long time until our destiny?
Oh, that's true...
The plan is pass the rock valley in the chariot. but...
Where are we going?

My Lord!!!
My Lord We have seen a chariot coming
A chariot?
Yes, my Lord, a chariot like the ones we use to carry vegetables
How many persons are on it?
More than twenty, my Lord

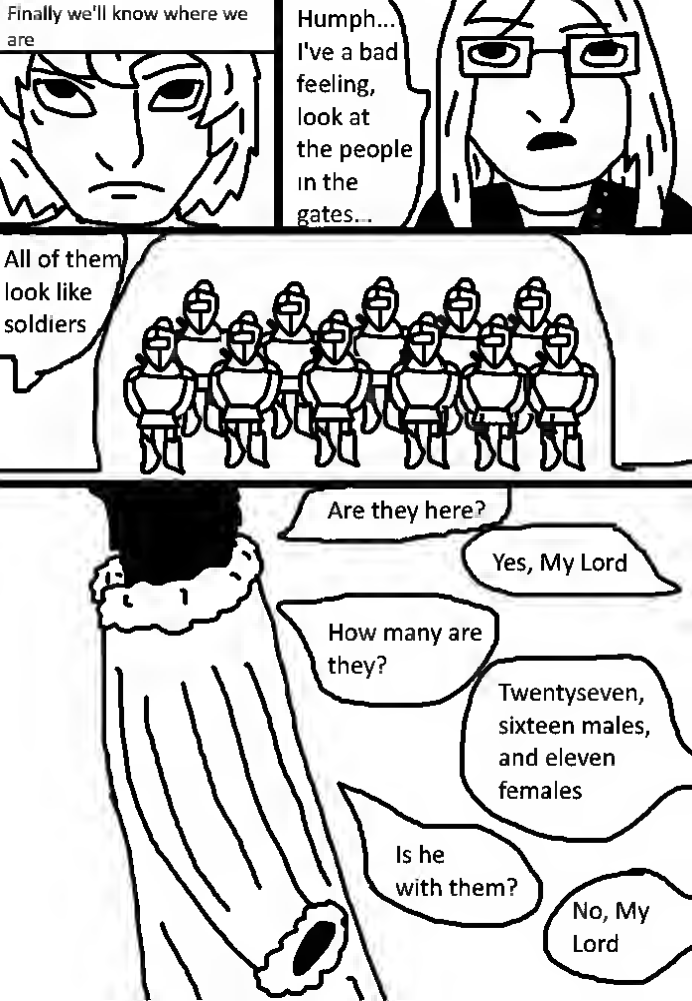
There are both, men and women. They are using the men to pull the chariot, but also they have one man on the chariot protecting the women, and he has a very interesting weapon ...
A giant hammer
A giant hammer...could it be... No, I'm sure he's not with them. Anyway I want to know ... How close are they from here?
They will reach the door in almost thirty minutes, My Lord
The rocks are chasing them, right?
Yes, my Lord
Prepare the cannons We're going to help them
Yes, my Lord

Fuck, I'm tired...
Almost twenty minutes have passed since I destroy the first rock...
And they don't stop coming...
We're gonna die if we don't find a place to hide again
Huff...I can't run anymore But I need to do it... For everyone
Well... I think this is the end
Fuck my life...
I'm gonna die twice in a day
My life can't be worse
Oh wait, it's worse, I am 19 years old and I've never had a girlfriend
Hey!!!
What's that?

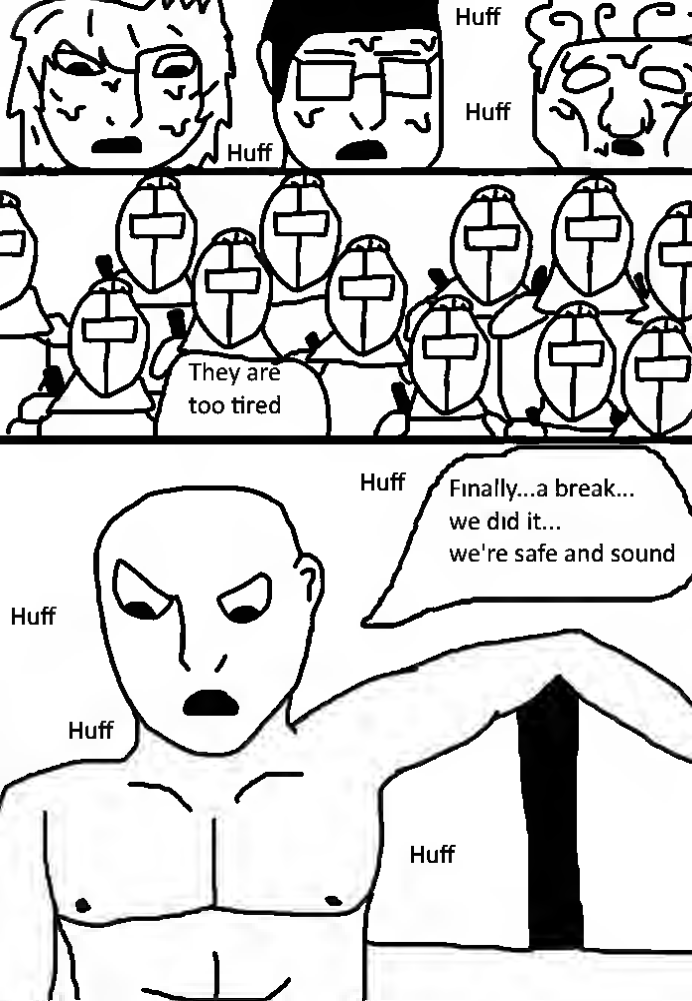
KABOOM!!!
An explosion? What was that?
Hey...Look there!!!
That looks like a castle
Obviously... people live there... they must... be helping us
KABOOM!!!

Rocks are fleeing...
This is our only chance
Let's go to that kind of castle!!!
Everybody hold on tight!!! We're gonna pull at max speed!!!
Are you kidding, aren't you?
...

Quickly!!!
They are coming!!!
Who are coming?
OPEN THE GATES!!!!
Something is happening
What's that?
The gates were open
A chariot?



Finally we'll know where we are
Humph... I've a bad feeling, look at the people in the gates...
All of them look like soldiers
Are they here?
Yes, My Lord
How many are they?
Twentyseven, sixteen males, and eleven females
Is he with them?
No, My Lord



Huff
Huff
Huff
Huff
They are too tired
Huff
Finally...a break... we did it... we're safe and sound
Huff
